

## Invitation to Partner with Montessori Europe Through Sponsorship

Montessori Europe is at the forefront of promoting and advancing the Montessori movement across Europe and beyond. Our mission is to connect Montessori professionals, schools, organisations, and supporters, fostering innovation and collaboration in education through our annual congresses, webinars, publications, and dedicated projects such as Agenda2030, with its focus on sustainability, research, and adolescent voice.

As we prepare for another exciting year, including in the Montessori Europe 2026 Congress in Riga, Latvia, we are extending an exclusive opportunity for organisations like yours to join us as a valued partner and sponsor.

Sponsorships with Montessori Europe are structured to run from January to December each year, providing a full calendar of opportunities to engage with our vibrant community. For organisations seeking to establish a longer-term partnership, we also offer the option to sign a five-year sponsorship contract, which attracts a 25% annual discount on sponsorship fees. This is a fantastic opportunity to solidify your organisation's commitment to education while enjoying significant savings over time.

Moreover, sponsors that are also suppliers can benefit from additional discounts on congress exhibitor packages. With premium sponsors receiving a 50% discount and gold sponsors receiving a 25% discount, this makes sponsorship an even more attractive proposition for organisations that want to showcase their products or services directly to our diverse network of educators and institutions.

Sponsoring Montessori Europe is more than just an opportunity to align with a globally respected educational organisation. It is a strategic partnership that offers:

- **Global Visibility:** Through placement on our website, newsletters, and event materials, sponsors gain access to a vast network of educators, schools, and institutions across Europe and beyond.
- **Brand Alignment:** By supporting an organisation dedicated to child-centred, forward-thinking education, your company associates itself with innovation, sustainability, and the holistic development of future generations.
- **Engagement Opportunities:** Our annual Congress and other initiatives offer meaningful ways to connect with educators and influencers who shape educational practices worldwide.
- **Enhanced Credibility:** As a sponsor, your organisation's commitment to education and its transformative power will resonate with our network of Montessori professionals and supporters.

Below, you will find an overview of our sponsorship packages, offering flexible options tailored to suit your organisational goals. From premium and gold sponsorships to voluntary donations as a Friend of Montessori Europe, we provide diverse opportunities for organisations and individuals to make a significant impact while benefiting from unparalleled exposure and engagement.
